## Key Technical Skills

- HTML5: 8 projects developed
- CSS3: 8 projects developed
- JavaScript: 5 projects developed
- React: 4 projects developed
- PHP & Laravel: 1 project developed
- MySQL: 1 project developed
- Python: 1 project developed
- Java: 1 project developed
- UX/UI

## Education

### BSc (Hons) Web Design & Development

Edge Hill University, September 2021 – 2024

#### Modules studied include:

- Web Application Development
- Data Driven Design
- Server & Client-Side Scripting
- Mobile Applications Development
- User Experience Design
- Usability Testing & Data Analysis

#### Portfolio Projects:

- A novel Generous Interface in the form of an interactive world map using React, which allows users to explore digital cultural heritage collections based on their place of origin, pulled from a museum api.
- Using PHP with Laravel and MySQL, built an online questionnaire system which allows users to create questionnaires and save submissions.
- A simple 2D space shooter game built using Phaser 2, consisting of 3 difficulty levels to choose from.

### BA (Hons) Drama and Film & Television Studies

Manchester Metropolitan University, 2005 - 2009

### A Level: History, Drama and Design Technology

GCSE's: 8 GCSE's A-C including Math and English

St Mary's College, Crosby 1999-2000

## Employment History

### Supervisor & Bartender

Woodward's Win Bar, October 2021 – present

- Providing customer service
- Handling complaints
- Daily cash and audit reconciliation

#### **Scheduling & Time Utilisation Analyst**

Assurant, July 2018 – November 2020

- Ensuring operational resource was scheduled to the highest standards through analysing detailed customer behaviour
- Working with senior management in regard to ensuring cost effective resource usage.
- Reviewing schedule rotation balances to provide shift coverage across multiple departments
- Regularly reviewing part-time staffing requirements in line with the business's needs
- Monitoring operational performance, identifying trends and areas for investigation and analysis
- Analysing, producing, and maintaining MI for relevant stakeholders

#### **Intraday Manager**

Assurant November 2012 – July 2018

- Overseeing the resourcing of a busy call centre operation
- Looking after the bespoke service levels that contractually needed to be achieved on a weekly/monthly basis
- Ensuring department KPI's were adhered to whilst maintaining service levels

#### **Customer Service Advisor**

Assurant July 2009-November 2012

- Complaint management including call escalations
- Understanding business regulations such as TCF, Vulnerable Customer and GDPR
- Processing refunds

#### **Personal Interests**

I lead a relatively healthy lifestyle and enjoy lifting weights and going out running whilst also spending time learning Spanish and developing projects.
